

DRAPER[®]

Folding Hand/Sack Truck

Stock No.68854

Part No.DHT

INSTRUCTIONS

DRAPER[®]

HOW TO OPEN

1. Remove from box.
2. Hold in vertical position.
3. Holding blue foam handle (Fig. 1).
4. Place palm of opposite hand on horizontal bar situated below blue foam handle.
5. Lift blue foam handle until blue spring clip meets with horizontal bar (Fig.2).

6. Squeeze horizontal bars together until blue spring clip locks over upper horizontal bar (Fig.3).
7. The Draper Hand/Sack Truck is ready to use.

- **NOTE:**

When fully open and locked in position, do not lift or attach luggage strap to the front of base plate as this is forcing the wheel mechanism to close.

DRAPER[®]

HOW TO CLOSE

1. Hold in vertical position.
2. Place palm of hand over blue spring clip and release clip using thumb (Fig.4).
3. Now using one hand push down on blue foam handle making sure the wheels are not obstructed from automatically folding into the storage position (Fig.5).

**DRAPER**[®]

HOW TO LIFT OR HANG UP

- Lift or hang up from horizontal bar marked "lift from here".

DRAPER[®]

SAFETY

1. If luggage strap becomes frayed or worn please replace immediately to avoid injury.
2. Do not exceed lifting capacities as stated on box.
